Dear Patron,

In accordance with Section 62 of the Education (Admissions to Schools Act), the Board of Management of Balscadden NS has included the following text to the school's admissions statement, as required by the Education (provision in respect of children with special educational needs) Act 2022.

- Balscadden NS will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council.
- Balscadden NS will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.

I can confirm that there has been no additional changes made to the schools admission policy.

I would be obliged if this could be approved by return email [principal@balscadden.com](mailto:principal@balscadden.com) at your earliest convenience, as this requirement to have this statement as part of the school's Admission Policy has been commenced.

Regards,

  
Seán McEvoy
