## **Advice for parents during COVID-19:**

## Returning to Primary Schools

- Students in third sixth class schools will return to in-school learning on Monday 15 March.
- Schools will organise how this will work for classes and pupils

> Staff members will wear appropriate personal protective equipment (PPE) when they cannot keep 2 metres apart from others. They will also wear other PPE such as gloves or aprons when they are providing close or intimate care for children.

> **School transport** - students have an assigned seat that they must sit in. School buses are moving to operate at 50% capacity and further progress will be made on this in the coming weeks.

- Please ensure social distancing by following the school's guidance on when and where to go. Please drop and collect your child quickly without lingering.
- Parents should follow public health advice on socialising outside of the household to keep their children safe outside of school.
